Eddie,
To a real
sweet, kind,
and good-looking
guy I've known for a
long time now, since the
good old days of Holy Family.
Always remember all the fun
times in our "exciting" Biology
Class, especially doing the laws. Good
your great personality and charm. Good
luck in everything you do and have a terrific
summer.

Have fun playing baseball
and wear that number 6
you like because your buddy
has the same number. Have fun
this summer except it won't be much
fun if you make the summer baseball
team. Well, make it. You'll be with your

BECOMING AWARE

Times were changing, and Washington students felt this in many ways. Reaganism had begun to be felt throughout the country. Social Security and federal grants were cut while military spending was up. John Hinckley attempted to assassinate President Reagan and the Dodgers having been successful in four previous contests, beat the Yankees to win the World Series. Washington, however, was affected most by Dr. Scammon and his integration plan. North Liberty High School was closed, forcing students to attend either John Glenn or Washington. We were made to realize that government decisions did effect our lives. As young adults, we were brought into closer contact with the world knowing that soon we would be taking an active part in it. Friends and classmates helped us gain knowledge about relating to others and even more important about getting to know ourselves. But whether Black, White, Hispanic or North Liberty Shamrock, we were all Panthers and we were all BECOMING AWARE IN '82!!!

IN MEMORIAM

Mr. Leonard Kapsa

The WHS class of 1982 dedicates this volume of Memory Lane in remembrance of Mr. Kapsa who was our original class sponsor.

Mr. Leonard Kapsa passed away last June after losing a long fought battle with cancer. He was a man thought of dearly by his family, friends, and those who came to know him at WHS

Mr. Kapsa began teaching in 1955 at Pierre Navarre grade school. He remained there until the fall of 1957 when he started teaching at Washington where he spent the next 25 years of his life. In that time he contributed greatly. Mr. Kapsa was a football coach for many years and assisted with the wrestling team. Mr. Klaybor and Mr. Kapsa also ran the clock for the Washington and the Central basketball games. This was the start of a friendship that would last until Mr. Kapsa's death.

The Washington greenhouse prospered under Mr. Kapsa's care. He grew a jade tree to quite a large size which is very rare. He also nursed a banana tree until it actually bore fruit.

Mr. Kapsa was a devoted family man. He was thought of as a father figure by his colleagues because of his readiness to give advice or to lend a helping hand. To the memory of this man who gave of himself to others and who cared so very much for their welfare we would like to say thank you and you will be missed.

IT IS EXTREMELY DIFFICULT TO EXPRESS ONES FEELINGS DUE TO THE LOSS OF SUCH A FINE FRIEND AS "KAP".

HIS DEDICATION TO HIS STUDENTS; HIS "HELPING HAND" TO EVERY ONE WHO KNEW HIM; HIS LOVE FOR HIS FAMILY WERE ALWAYS UNMATCHED ATTRIBUTES.

"NOTHING BUT HEAVEN ITSELF IS BETTER THAN A FRIEND WHO REALLY IS A FRIEND" ...

I'm going to miss you buddy ...

BECOMING AWARE . . .

Last minute homework, running to class with seconds to spare, "Darn, I forgot my book", and the common complaint of too little heat in the winter and too much in the springtime were remarks that could be heard in any Panther hallway, at any given time of our school day. Other students spent many hours in the library studying, researching or just terrorizing Miss Hunsberger, one of our librarians. Football games, parties, homework, and friends make up only part of student life. Our ideas are most often a result of our personal experiences in high school, which are four of the most educational, memory filled, and character shaping years of our lives. We learned about ourselves through others and became aware of our individuality.

... THROUGH STUDENT LIFE

Expression The Panther Way

Panthers are not quite like any other group of people. We had our own way of doing and saying things. For many their expression was through art in one form or another. The drawing on the opposite page by Dionne Tillman shows how he expresses himself. He is like numerous other students who find drawing a form of communication. On this page are Panthers free and easy. They are unposed and natural. These are some expressions of Washington High School.

South Bend: In Perspective

South Bend: City of growth and progress. This statement and Mayer Parent's welcome could be seen upon entering our city. The River City was in a period of transition. Previous years had brought downtown increasing economic losses due to the construction of Scottsdale and University Park malls. Officials were faced with losing money or taking action. They took action. Century Center, a multi-use complex built upon the riverbank, was developed allowing room for business conventions, shows, parties, proms and cultural displays. An artist was employed to construct a work of his own original art. This is how the DeSuvero was born which has been referred to as an architectural masterpiece. The latest edition to South Bend's upcoming look is the Marriot Hotel. This Hotel is a display of the advancements made in modern design. South Bend, the river city, is making us aware of the need for progress while keeping us aware of our past.

Above: The Morris Civic is a remnant of downtown's earlier years.

Right: The Marriot Hotel is shown just after its completion.

Bottom left: These fire escapes on the Oddfellow building remind us of days past.

Valued Friendships

*The only way to have a friend
is to be one.*

*Dressed to kill — that's Judy Jurgonski
and Rick Cwik enjoying themselves on a
Saturday night out.*

*Make new friends, but keep the old;
Those are silver, these are gold.
New-made friendships, like new wine,
Age will mellow and refine.
Friendships that have stood the test
Time and Change-are surely best;
Brow may wrinkle, hair grow gray;
Friendship never knows decay.
For 'mid old friends, tried and true,
Once more we reach and youth renew
But old friends, alas! may die;
New friends must their place supply
Cherish friendships in your breast
New is good, but old is best;
Make new friends, but keep the old;
Those are silver, these are gold*

Friends meeting at lunch always seem to brighten up a gloomy day at school.

Lots of smiles from Rose Lubelski, Glenda Kalpaczynski and Maur-eena Leda it must be Friday.

Pam Poyser and Rosemarie May take time to smile as they hurry to their next class.

Debbie Reed and Andy Wolf always seem to have a minute to meet between classes.

Spirit Back On The Rise

The spirit of WHS was questioned in the past by many observers. Problems with student attendance had been a wide spread and lack of participation and support at athletic events or pep assemblies was evident. But the students have attempted to meet the challenge.

Absenteeism and truancy have been on the decline. Although the student support at athletic events has not been the greatest, the loyal students that did attend backed the team with a tremendous amount of enthusiasm and pride.

Furthermore, students have showed their support by getting involved in other activities Spirit Week gave many students the opportunity to express their pride in Washington and at the same time their creativity. Another was the wearing of school sweaters. The value of an athletic sweater had increased right along with spirit.

Students were becoming aware of their school and putting forth an effort to support.

The cheerleaders keep the crowd fired up even in the coldest of weather.

SPRING

SPRING ACTIVITIES

Baseball Players Take 2nd In NIC

This year's team had quite a record to improve upon. The previous year Washington had been first in the conference. Bob Jaronik and Dave Wleczorek were the returning moundsmen for the Panthers. Three year letterman Joe Maciejewski and tough Kevin Meert also returned. Randy Dudeck played 3rd and Rick Buchanan looked better than even Coach "T" had hoped. The Panthers started their season with a spring trip to Southern Indiana. The club swept a doubleheader from Logansport to open it's season. This was only the beginning of a long, competitive season. A major highlight of the season was the break of a Mishawaka pitcher's series of scoreless innings. Joe Maciejewski doubled to end the streak. Going into the South Bend Sectionals, the Panthers were second in the NIC with Clay being in first. Washington pulled

Clay in the first round of the Sectionals. The Panthers wanted revenge and got it. They beat the Colts by a narrow score of 3-1. The following game the Panthers weren't as fired up. They lost to a high LaSalle club. The worst part being that Washington had beaten LaSalle in regular season play twice before. The Panthers had to settle for second in the NIC. For the first time in Washington history four players were named to the NIC first team: Kevin Andrysiak, Joe Maciejewski, Randy Dudeck and Bob Jaronik. Andrysiak and Jaronik were also named Athlete of the Week by the South Bend Tribune. The Most Valuable Player was Bob Jaronik. Highest Batting Average Award went to Joe Maciejewski and Ken Snos received the Mr. Hustle Award.

1981 Varsity Baseball Team

Due to the loss of Coach Sipotz after the beginning of the 1981 Girls Tennis season, the girls had to adjust to new leadership. Marylin Kowalski became their coach. Miss Kowalski is a graduate of Washington and a former tennis player for the Panthers. Inexperience was also an obstacle for the girls to overcome. With only four returning letterwomen, the team had to pull together. Though tennis is an individual sport, team spirit was evident at their matches. The girls were behind each other 100%!!! The competition was stiff. The girls played against teams who have access to courts all year long. This didn't make much difference to the Panthers who tried that much harder. Kathy Dippel and Jill Gleason competed in the South Bend Sectionals in the doubles classification. Unfortunately, Kathy and Jill were eliminated after the second round. The 1982 season for the girls should prove to be even stronger.

First Year Soccer Team Gets Its Kicks

Soccer is the newest sport at Washington. Soccer is, in fact, a relatively new sport in the South Bend area. This, unlike other sports at Washington is co-ed. Mr. Foley was the coach for the 1981 season. He has had experience coaching soccer with a South Bend League. The turnout for the team was better than was at first thought. The players didn't win a match, but they had an awful lot of fun. There is hope that the future soccer teams will be as enthusiastic and much improved.

Mr. Foley and reserves watch anxiously as the match progresses.

Clem's Clan Struggles Through

The girls had high expectations for their new season. They hoped to better their 9-6 record from the year before. Though they didn't do as well, with a 6-4 record they had plenty of fun. Led by senior captain Sue Godacz, the girls had a tough season. Elkart Memorial was one team to experience the Panther force. In 40 degree weather the girls came up with their best team effort, winning 19-13. For Deb Caudill the season will have one memorable moment. Deb was ejected from the Marlon game. The umpire claimed she made a false tag. For Deb, "Get yourself another second baseman", is a memory of her junior softball season. Carol Ginter who played third base was the Most Valuable Player. She was also named Player of the Week by the South Bend Tribune. Freshman Cindy Reese was a great asset to the team. Hitting homerun after homerun, she was a major member of the squad. Sue Godacz won the Kiwanis Award which is given for leadership team play and the recipient must have at least a B average. With returning stars in Lyn-delle Egyed, Deb Caudill, Michelle VanWynsberghe, Tracy Gray, Lori Rothballer and Judy Jorgonski the upcoming season should be even better.

Panther Tradition; Jump, Sprint, And Run

The 1980-1981 Track team of Washington was in the mold of other outstanding teams of the past. The Panthers were good enough to compete in the same class with some of the State's best in the Roosevelt Invitational and the Goshen Relays.

The Panthers ended their NIC schedule by winning their last three meets by a margin of 10 points. The Panther's B-team finished the season with a 5 win/4 loss record. With all of the varsity team back in '82 look out for the Panthers.

To place a finishing touch on a respectable season the following Panthers were named to the NIC All-Conference Team: Dennis Winters — long jump; Tom Andrezejewski — pole vault; Lonnie Powell — 400 meter dash; Johhye Love, Lonnie Gunn, Derrick Smith and Dennis Winters — 400 meter relay.

The Panthers are coached by Charles E. Stallworth and Earl Halrston.

Drama Club Takes New Direction

Backstage ... On Stage was this years spring production. Usually a musical is put on in the spring by the Drama Club. This year Mrs. Butler and Mr. Good decided to try something different. The result was the variety show, *Backstage ... On Stage*. There were productions of *There's No Business Like Show Business*, *Look To The Rainbow*, selections from *The Wiz* and many others. The variety production was a success. Congratulations, Mr. Good, Mrs. Butler and Company!!!

GRADUATION 1981

Prom Queen of 1981, Karen Bradley escorted by Tracy Martin.

Prom Princess of 1981, Kay Bykowski escorted by Skip Kalmar.

Oh! That Special Night

On Saturday, May 16, there were many last minute preparations: fixing a stray hair, straightening a tie, and don't forget the flower. This was the night of the Junior-Senior Prom. First there were pictures followed by a quiet dinner or maybe even a get-together of numerous couples. A little before 8:00, couples had already begun arriving at the Jefferson Ballroom in downtown South Bend. There was excitement in the air as the couples mingled and danced to music by New Horizons. The evening came to a climax as the moment arrived to announce the 1981 Prom Queen. Mr. Kaser crowned Karen Bradley, Queen, and Junior, Kay Bykowski was crowned Princess. With the evening at an end, couples went their separate ways, taking along memories to be treasured of that very special night.

AND PROMISES

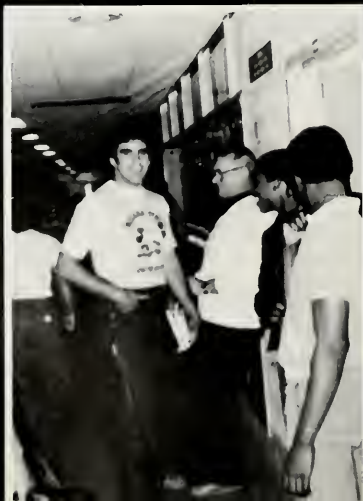

*Memories are heartbeats ...
Sounding through the years ...
Echoes never fading ...
Of our smiles and of our tears ...
Moments that are captured ...
Sometimes unaware ...
Pictured in an album ...
Or a lock of hair ...
Images that linger ...
Deep within the mind ...
Bit of verse we cherished ...
Once upon a time ...
Through the musty hallways ...
Of the days we knew ...
Ever comes the vision ...
Beautiful and true ...
Memories are roses ...
Blooming evermore ...
Full of fragrant sweetness ...
Never known before ...
Life must have a meaning ...
Goals for which to strive ...
Memories are lights that burn ...
To keep the heart alive.*

SENIORS!!!

Remnants Of The Past, Memories For The Future

As the Class of 1982 walked into the halls of Washington High School in the fall of 1978, they had no idea what to expect in the years to come. The first couple of years were filled with such highlights as purchasing class rings, attending the Junior-Senior prom, and finally being accepted by the upperclassmen. Throughout these years, the Panther name and pride grew.

At last the Senior year arrived. The Class of '82 was finally at the top, taking on greater responsibilities and leading the way for the underclassmen. Making the most of their final high school years kept Seniors constantly on the move. Everyone was faced with making the important decisions of the direction of their future. Commencement brought reflections of the joys, tears, and memories which WHS had given them.

Plats Off To Thee . . .

This year, Washington High School was privileged to have among its student body an exchange student. Sigrid Bettinger lived in Zimmern, a small village in Southern Germany. During her stay here, she lived with Renee Stypczynski's family.

Sigrid enjoyed America very much. She came to America to improve her English, to see how Americans lived, and to build lasting friendships. "Ziggy", as Renee called her, loved salad bars and rock stations. The Class of '82 wishes Sigrid much luck for her future plans.

Leaders Of '82

Throughout Washington High School history, each class has been led by one president. But leave it to the Class of '82 to change tradition! This year, co-presidents led the Seniors through their final year. Polly Szlanfucht and Sharyl Zwierzynski were elected to do just that.

The hard-working officers worked together to make the year a success. They were under the watchful eyes of Mr. Dziubinski, who took over after the death of Mr. Kapsa. The Senior Class gift to the school was a sign naming the new athletic field. The class officers displayed true responsibility and dedication to WHS.

Above: Top 10% of the Class of '82

The main qualification for a member of the top 10% of a class is "dedication". Dedication, to each member, means striving to do their best. Most of these dedicated students triumphed over Calculus, defeated Essay Writing, and even challenged Physics. Their courage in the face of adversity should truly be admired by all.

These students were in the top 10% of the Senior Class composed of 320 students. They have maintained a 3.5 or better GPA throughout their four years. First Row (l to r): J. Daurer, D. Caudill, K. WASHINGTON HIGH SCHOOL ALMA MATER

*Washington to thee we sing,
Praise be thy name.
Grant to us leadership,
True worth our aim.
Ours is the spirit true,
Our hearts with love aflame.
All honor to thee we bring,
Fair Washington.*

Juniors

The Junior class shows spirit at their first pep assembly.

With two years behind them, the Junior class looked forward to their final two years at WHS. After they elected their new class officers, they began preparing for the prom. With the help of their sponsors, Miss Raben and Miss Warner, they started to raise money. Juniors sold class T-shirts and had other fund raisers. After three years of hard work, they were ready to move to the top and lead WHS in a successful year in 1983.

Sophomores

Above: Some sophomore students show the pride and spirit of their class of 1984.

As Freshmen, they were a bit intimidated, but as Sophomores, they were more than ready to show their Panther Pride. Their spirit at the pep assemblies showed how much more enthusiasm they had developed than at this time last year. With the help of their sponsors, Mrs. Soots and Mr. Sexton, they hoped to raise a sufficient amount of money for next year's prom.

With two years of their high school careers past, the sophomores looked forward to their last two years at Washington High School.

Their spirit at pep assemblies was typically freshman, realizing that by the time that they were Seniors, they would be ready to lead their class, the class of "85", "Ever Onward" with the highest of spirit and pride.

BECOMING AWARE . . .

STUDENTS GET INVOLVED

Through various activities we came into contact, as Washington students, with many unique people. We are all individuals with something to contribute. We have learned from Blacks, Whites and Hispanic. Mutual concern for our school and our environment, the desire to work with others toward a common goal, the excitement of winning, the anticipation of a Homecoming Queen being crowned and the enjoyment of the good times has taught us how to relate better with the people around us. This lesson we will carry with us and build upon throughout our lives never forgetting it was Washington High School and our classmates which first showed us how to get along with others.

... THROUGH

ACTIVITIES

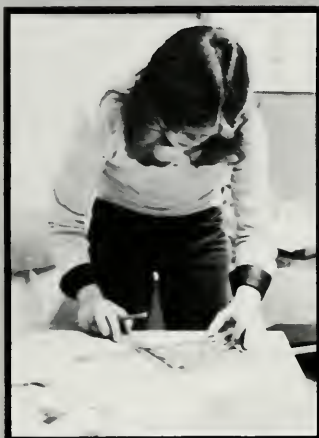

Memory Lane

Deadlines, Deadlines.

MEMORY LANE yearbooks have always served as a scrapbook for students to look back and remember their high school days. This years staff spent many hours hard at work meeting deadlines to put together the best yearbook yet. With the guidance of their sponsor Mrs. Howell and editor-in-chief Tammy Gray, the staff collected pictures and information to be included in this years **MEMORY LANE**. Many staffers did their part in Mrs. Howell's first hour publications class, and others helped out in their free time. This free time help included selling advertising to raise money to defray the costs of putting out the yearbook. Despite the pressure and frustration most **MEMORY LANE** staff members enjoyed their work, especially when they saw the results.

THE HATCHET

In order to keep the students of Washington High School informed of news and special events throughout the school year, a free weekly publication was distributed to each student. The paper was produced by a group of our own students. The HATCHET was sponsored by Mrs. Fodor and consisted of thirty staff members. For the second year Sharyl Zweirzynski has displayed her excellence as Editor-in-Chief. Each member of the staff spent numerous long, hard hours gathering information for articles and preparing information for publication. The HATCHET was anxiously awaited each week. With the talented staff and excellent leadership, the HATCHET staff had a very successful year.

NATIONAL HONOR SOCIETY

The National Honor Society consisted of seniors and juniors with such qualifications as "Character, Leadership, Scholarship, and Service." This organization has been sponsored for the past two years by Mr. Claus.

To be a member, a student needed to have a minimum grade point average of 3.0 and to have the qualities listed above. A student became a member at the annual induction ceremony held at Z.B. Falcons in March. Old and new members were invited to this traditional Polish style dinner. Once a member, the student participated in various activities. These activities included social services such as visiting a Senior Citizens Home. Many fund raising projects were held in order to raise money for the annual dinner. Such fundraisers as carwashes, bake sales, and working in the check room at Jeremiah Sweeney's restaurant were considered for the projects for this year.

At the end of the year, after all of the hard work of fund-raising and maintaining their grades in order to remain in the NHS, the old and new members enjoyed a trip to Cedar Point.

Language Club

Members Enjoy Picnic.

The Language club was made up of students of the various foreign languages WHS offers: French, German, Latin, and Spanish. The club had co-sponsors, Mrs. Goldberg, Mrs. Goldsmith, Mr. Guin, and Mr. Pikuza, who were teachers of the respective languages. The club elected students to be leaders from each language. This year formal by-laws were established, and elections were held. Members of the club paid an annual due of one dollar to join. Once a member, a student enjoyed numerous activities throughout the year.

The activities of the club consisted of meetings in which guest speakers addressed the club. These guest speakers were foreign exchange students who shared their experience with the club. Another activity was an annual chicken dinner held on November 20 before the fall musical *BABES IN ARMS*. This fund-raising dinner benefited school language needs and yearly Chicago trip. The trip included shopping, a musical, and a dinner at an ethnic restaurant. This year the restaurant was Spanish.

The club gave students the opportunity to meet new people. At the beginning of the year, the club held a "Get Acquainted" picnic at Bendix Woods in which old and new members were invited. It is no wonder that the students enjoyed this club and made it one of the most popular clubs at WHS.

1981 FOOTBALL HOMECOMING

The rain of the morning didn't dampen the excitement which had been growing all through the spirit week festivities. The week started out with various "days", such as dress up day, joggers day, and rainbow day. The homerooms competed in a decorating contest with Mr. Tomaszewski's room, 901, winning overall. Friday morning flowers were passed out, and then the assembly began. The girls waited nervously for their names to be announced and with their chosen escort they walked down the isle and to their place in the gym. The crowd cheered and the seniors got the rest of the school spirit really flowing. The night was cold and clear just before halftime when the girls met. They anxiously awaited their walk out to the field and the announcing of the Queen. A few minutes later Mr. Kaser along with two little friends crowned Connie Williams escorted by Charles Randle the 1981 Football Homecoming Queen. To top off the evening Washington defeated Michigan City Elston 7 to 6.

The Varsity Pantherettes have been a tradition of WHS for some time now. Under the sponsorship of Mrs. Rozmarynowski and assistant Mrs. McCammon, the group performed their routines at many activities.

This year with the leadership of captains, Jackie Fye, and Cheryl Manis, and co-captains, Karen Weinberg and Vicki Graham, the squad competed at Pom Pon camp. The girls, in keeping the pride of WHS, brought home one blue ribbon and five red ribbons. Not only has the squad performed at camp, but they have entertained students at basketball games and marched in the Thanksgiving Day parade. The girls also had the chance to perform at Notre Dame for the Rock and Gem Show, where they were proud to be representing Washington. Indeed, once again, the Pantherette squad gave it their all and had another successful year.

B-Team Poms

The B-Team Pantherettes, under the sponsorship of Mrs. Rozmarynowski and assistant, Mrs. Wilmes, performed various routines at many school activities.

In the spring, the girls tried out and were then selected to be on the squad. Once on the squad, the girls had the option of going to camp in order to perfect their talents. Those who went to camp brought home several ribbons. The girls practiced long hours after school when the season began. They had various fundraisers such as, a bingo in order to help pay for camp and uniforms. The squad performed at football games, basketball games and the Lollipop concert. With the leadership of the captains Brenda Spychalski and Kathy Buysse, the B-Team Pantherettes had a successful year.

And The Show Goes On!

The Drama Club was composed of enthusiastic students who were interested in the theatrical world. The students in order to gain membership, paid an annual fee of one dollar at an organizational meeting. They then proceeded to elect officers. The 1981-82 officers were: President Shirely Houston, Vice-President, Dwaine Perry, Secretary, Lori Bikowski, Treasurer, Tom Zablocki, Historian, Kathy Brockie. This year, the club went on various trips to IUSB to see plays and musicals. The club presented their own spring play and fall musical.

The fall musical this year was **BABES IN ARMS**. The setting for this delightful performance was in a playhouse in which apprentices worked under Mr. Flemming. The apprentices wanted to put on a review, while Mr. Fleming wanted to put on a play. In the end, the apprentices got their way. The musical was performed by talented actors and actresses and provided a variety of singing and dancing. It was a huge success. The musical was directed by Mr. J.B. Good, Mrs. Candace Butler, and Mrs. Geoffrey. The Drama Club put in a great amount of effort in their activities and their accomplishments were their rewards.

Jr. Waltons

The Junior Waltons was a club formed for high school students in the early 1970's. As part of the Isaac Walton League of America, the club was responsible for numerous outdoor projects including making "wood duck boxes", hung on trees for ducks to make their homes in. The Junior Waltons also passed out seedlings to the public and planted trees on the Isaac Walton League's fifty-five acres. Under the direction of sponsor Mr. Klaybor, the club tested water from different ponds and streams to learn more about the forms of life in these bodies of water. The Junior Waltons raised money by having a bake sale and had such recreational activities as a Christmas party held on the Isaac Walton League property. President of the 1981-82 club was Skip Kalmar, Vice President, Rick Cwik, and Secretary, Brenda Janowalk.

Due the closing of North Liberty High School Future Farmers had to be uprooted and replanted at Washington High School, so WHS adopted a new club. Future Farmers of America, a national, leadership — oriented group, is not for all students only those interested in farming. In the spring, the F.F.A. had a district leadership contest which involved public speaking and other activities. Members learned about advances in horticulture and farm equipment, along with other specialized areas of farming. Members also had projects which were judged at district, state, and national levels, and had community service projects, recreational activities, and field trips. Mr. Larry McCullough, a new teacher at Washington was the groups sponsor. President of the club was Dale Klopfenstein, and Vice-President was Jenny Maenhout.

The Ushers Club was a service program sponsored by Mrs. Leatherman. It was composed of students willing to be of service to their school.

This year the club welcomed parents, student, and faculty to the various school activities: the fall musical BABES IN ARM, the spring play, the choir performances, and graduation. The students participating in the club greeted the visitors with a warm smile, collected their tickets, and passed out programs. The club was an organization whose only goal was service to Washington High School.

The members of Student Council were involved in many programs. The Student Council was set up a little differently this year. It consisted of four major groups. The first group was involved in big sister and big brother program; they were also involved in the Tutorial and "Make a New Friend" programs. The second group was called the Spirit Angels. They helped organize school spirit. The third group was responsible for the fund-raising project to sponsor field trips. Finally, the fourth group organized the Blood Drive with the Seniors. They also helped with the canned food drive to help the community. With the help of their sponsor Mr. Hairston, all of these projects were successful.

Let It Snow!!

Although Washington had no ski club as such, students found time on their own for skiing adventures. They could be found at Bendix Woods, Swiss Valley, even Boyne Mountain, skiing down the snowy slopes or taking a break by a warm fire. One group of about twelve guys planned their own trip up to Boyne Mountain for a few days of ski vacation. January of 1982 certainly was the time for such activities, as there was by no means a lack of snow. The only problem was getting through the snow to the slopes!

Hockey Team

The Adams-Washington hockey team led by coach Pat McMakon was a strong spirited team this year. The season ran from November to February, and during these months the guys were practicing while many of us were still sleeping. This year the team had a trying season but gained much experience. With the support of the student body, it is believed the Adams-Washington hockey team will have a successful future.

Basketball Homecoming 1982

One of the highlights of the mid-winter blues was the thrill of the Basketball Homecoming on February fifth.

The day began with an enthusiastic pep assembly in which the school was presented the ten girls chosen by the Senior class and their escorts. Following the assembly the girls and their escorts enjoyed a traditional breakfast at Chauncy's.

Meanwhile, the school shared the excitement with the distribution of flowers. Later that night, the Panther team was defeated while Pam Rzepnicki was crowned queen by Mr. Kaser and His two little helper. The finale of the evening was a Homecoming dance sponsored by the Senior class in the gymnasium.

BECOMING AWARE ...

STAFF KEEPS STUDENTS AWARE

Our teachers and administrators have played an important role in our development. These knowledgeable persons have made us aware of the world around us. They have the experience of older adults and the willingness to share their knowledge with generations of the future. They have taken upon themselves the challenge of turning us into responsible and productive citizens. We have been taught Science, Math, Economics, Languages, Arts and English. In between we were taught to be aware of our society and the role we are to play as young adults.

Doing Their Part

Our Fearless Leaders And Their Helpers

As the academic year of 1981-82 began in Sept. many new faces were seen around W.H.S., but one not so new face was Mr. David Kaser.

Mr. Kaser, in his second year as principal of W.H.S., added some new changes in our school day. Half hour lunches and new attendance procedures were a couple of these changes. Mr. Kaser had the assistance of Dr. Cohen and Mr. Truex. With these top administrators on our side, hopefully everything will be steered in the right direction.

Keeping Us Aware

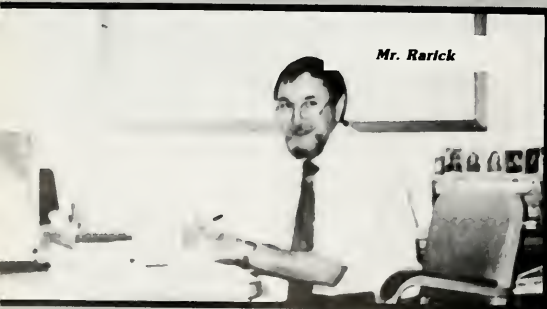

At the beginning of the 1981-82 school year the guidance counselors at W.H.S. had a great task in front of them. Because of the new students coming from North Liberty and other schools, they had to arrange many schedules and help students with any problems they might have. The counselors also helped students plan for their college careers and their future lives.

These very important people helped make this year run smoothly.

Adding It All Up

The Math Department offered a variety of courses that would help the students understand mathematical problems and concepts. These courses ranged from High School Math to Calculus, and in between Algebra, Geometry, and Trigonometry. There was also Math Labs for students who might need help in different areas.

With the addition of many new teachers to the Math Dept. staff and the variety of different math classes, students should take this opportunity to try these courses and see what they have to offer.

Teaching Our Own Language

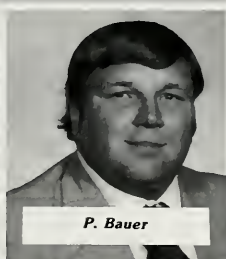

The English Department at W.H.S. offered a variety of courses for the students. These courses were designed to help the students in different areas.

Classes ranged from Adventure to American Novel to Senior Essay Writing and Research Paper.

There were also classes for students who needed some help in writing and reading skills.

With the help of well experienced teachers in the English Dept. all students were able to get a good background of our own language.

Mastering A New Language

Spanish, Latin, French, and German were the four foreign languages offered to the students of W.H.S.

First year language students learned the basic fundamentals of grammar, pronunciation, and sentence structure.

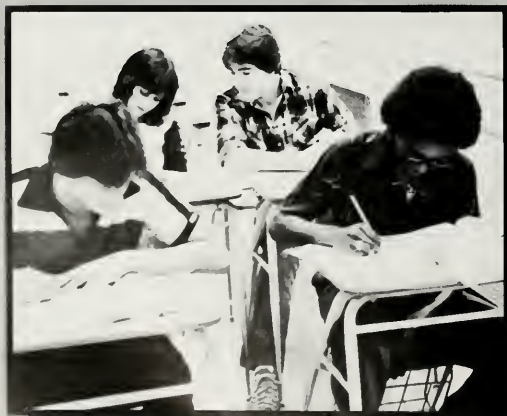

Second year students concentrated on perfecting their skills they learned in first year. Third and Fourth year language students read literary works and made oral reports.

Students who took a language learned many things about the language and places that spoke the language.

The Science Department at W.H.S. offered many courses to help students further their interests in science.

Courses ranged from Biology to Adv. Biology to Chemistry to Physics. Nine week mini-courses were also available, such as, Tree and Bird Life, Animal Behavior and Taxidermy. In these classes students learned the study of organisms and how to do lab experiments.

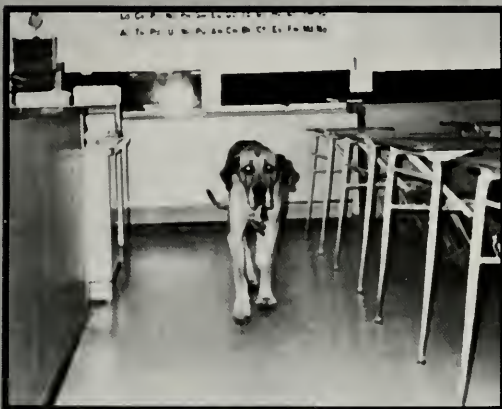

Agriculture, a new class brought to W.H.S. from North Liberty, was also offered to students.

Making It Their Business

Students who were interested in any type of business were sure to find a course to meet their interests in the Business Department here at Washington High School.

Typing courses were available for students to learn how to type statistical tables, business letters, and manuscripts.

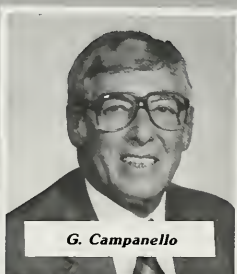

Accounting taught students how to keep books for different businesses.

Business Law, Introduction to Business, and Marketing were also available to give students knowledge about various aspects of business.

The Chorale Singers was another organization offered at Washington High School. The Chorale Singers were made up of boys and girls and was available for those who had an interest in singing or for those who just might like to be part of a group. They performed at concerts and visited different schools.

Girls Chorus was another singing organization at W.H.S. This was an all girls group that also performed at concerts.

Both of these organizations gave students an opportunity to get involved with school activities.

BECOMING AWARE

Athletics is a large part of life at Washington High School. Through participation in sports we learn and at the same time express our pride in giving our best for our school. We are taught the importance of teamwork. To be succesful a group must have a common goal and strive for it harmoniously. We develop sportsmanship through discipline. The athlete who can relate to his fellow teammates whether on the court or off has learned a basic requirement needed to communicate in society.

Gridders Have Trying Season

The 1981 football season proved to be a season that first year coach George McCullough will never forget. "It's like a dream come true," said Coach McCullough as he took over the helm of the green machine after long time coach Robert VanCamp retired. One of Coach McCullough's top priorities was to enhance the pride and tradition of the West Side.

This season had its ups and downs. There were times that it seemed that the Panthers could do no wrong,

such as against LaPorte, Elkhart Memorial and Michigan City Elston. But then tragedy struck three times as the Panthers fell short to Clay, Adams, and Riley.

The captains of the 1981 "Panther Family" were Kevin Meert and Dave Dudzinski. Under their leadership and the help of many outstanding players like Mike Coppens, Richard Robinson and Greg Wittling, the football team helped carry on the WHS tradition.

Difficult Year For B-Team

The B-team football squad, coached by Roger Lea, faced a long and trying year. After losing their first five games, the team bounced back to shutout Elston and defeat Riley, only to lose the next game to Penn.

When asked about coaching, first year coach Roger Lea remarked that he liked working with the B-team, even though they had such a difficult season. He was looking forward to next year with high hopes for a more productive season.

Freshmen Looking Impressive

"Many are called, but few are chosen," should have been the theme of the 1981-82 Freshmen football team. Of the thirty-six men who tried out, only twenty were chosen to be on the team.

This year's offense was very impressive. With ball carriers such as Chris Winters, Tony Hopkins, Tony Smith and Tony White, the Panthers accumulated many points. Their defense was just as tough, as Brian Klien, John Banks and Ty Noland dished out punishment to opponent ball carriers.

Coach Tomaszewski was looking enthusiastically toward next year to help rebuild the Panthers into the "Mean Green Machine."

The team had many excellent runners in the forms of Tom Andrzejewski, who was ranked number one in the city, and Skip Kalmar, Troy Dillion, Brady Neilson and David Molnar, who were all ranked in the top five. Splashers Give It All They've Got

The girls swim team, coached by Miss Kristy Clary really stroked their best this year, even though they didn't have any wins. With only ten girls on the team, the odds were stacked against them from the beginning, but they didn't give up. The team was led by seniors, Beth Beveridge and Mona Chavez. The other members of the team were juniors, Kim Baker and Katha Bucher, sophomores Sue Gildner, Jenny Peczkowski and Kathy Moore, and freshmen, Stephanie Vanslager, Leah Shetler, and Michelle Clemmons. With many underclassmen returning next year, the hopes of a better season were running high.

The boys swim team, headed by second year coach Tom Johnson, started the season on a great note by winning their first meet against LaSalle by a score of 82-68. They ended with a good season and stacked up wins against such teams as Howe Military and LaSalle.

The team was led this year by senior co-captains Mark Fischer and Andy Wolf. Everyone on the team practiced hard and swam their best to prove that Washington was one of the top teams in the city.

Panthers On The

Panther pride was reborn this year on the West Side in the form of the 1981-82 Boy's Varsity basketball team. The cagers, led by veteran coach John Solmos, chalked up a winning season with impressive victories over such teams as Hammond Clark, 86-66, M.C. Elston, 82-81, and Benton Harbor, 78-75.

The co-captains and "hot hands" of this year's team were seniors, Will Brown and Maurice Hoskins. Brown averaged more than eleven points per game and was the top rebounder, while Hoskins

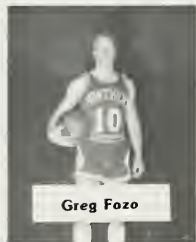

averaged over fourteen points per game. Two other top players were juniors, Brian Horvath and David Johnson. Both averaged more than eleven points per game. But Coach Solmos was especially, pleased with his teams overall attitude this year. He said that his prayers realized their mistakes and worked hard to improve them. And with this attitude and the talent coming back next year, hopes were running high that next year's Panthers could carry on Washington's tradition on hard, tough basketball.

B-Team Prepare For Future

Coach Weber's philosophy for the B-team was simple. He helped develop boys so as to play at the Varsity level, and while doing this, the team achieved a 7-6 record.

Coach Weber was happy this year with the individual progress of members. The four juniors on the team were Andrew Williams, Maurice Phillips, Bill Adams, and Roger Werner. Of other importance were sophomores Eric Chambliss and Tommy Lee, and freshmen Damon Jenkins and Mike Sniadecki.

The 1981-82 Freshman basketball team did not have as favorable of a season as first year coach Bruce Urban expected. He felt that with a few breaks, some of the closer games could have gone in favor of the Panthers. As it was, the team ended with a 3-9 record, but did score victories over Young, Shmucker, and Adams.

The team this year had two captains. They were Charles Black, and Chris Winters. Along with being co-captains, they were both the top scorers for the Freshman.

Although the season was not the best, it was good in the aspect that it helped develop good players and helped prepared them for the B-team and Varsity levels next year.

The 1981-82 girls basketball team had its ups and downs this year. Coach Dziubinski's squad looked impressive defeating M.C. Elston, 60-48 in their first outing. But things began looking downhill as the team ended the season with only one win and ten losses.

Girls Struggle Through Season

The team elected four girls as this years captains. These four seniors, Kellie Groves, Angie Holt, Jenny Maenhout and Beth McGowan, along with juniors, Bonnie Bejma and Charissa Lancaster, gave their all on the court and showed that the Panthers don't give up.

If there was one word that could be used to describe the 1981-82 Wrestling team, that word would be young. Most of the starters were either sophomores of underclassmen who lacked past experience. Because of that lack of experience, the matmen ended the season with an 2-8 record, but did stack wins against Clay and Elkhart Memorial.

The men who led the squad this year were Lennie Stanfield and Loni Charles, who were also this year's captains. With their leadership and with the hard work and dedication the team put out this year, they showed everyone what is meant by "blood, sweat, and tears."

When you went to a football or a basketball game, you could always hear a group of girls yelling their hearts out. These were the WHS cheerleaders, sponsored by Mrs. Cassie Scherpereel. Led by seniors Leslee Lindsey, Connie Williams, and Lynn Kalzer, the cheerleaders put forth their best effort at every game.

Cheerleading practices started back in the middle of the summer when the cheerleaders went to the National Cheerleading Association clinic at Ball State University where they won numerous ribbons and also received an award for being a "super squad". They proved that dedication and hard work can bring two great rewards; alot of satisfaction and alot of Panther pride.

BECOMING AWARE

BUSINESSES SUPPORT WHS

Businesses in and around the Michiana area have contributed to the publishing of the yearbook; Memory Lane for many years. We appreciate their support. Much of the expense of our book is covered by the generous ads bought by our advertisers. Besides advertising, often these businesses employ Washington students. This gives them the opportunity to experience the world outside of school. This combined contribution of these companies aids us as students in our present undertakings and enlightens us as to what to expect in the job world.

"Becoming Aware in '82" was picked as our theme because as students we were realizing much more about the world around us and about ourselves. We were growing and maturing for the life beyond high school, while having a good time at Washington. It is this development we tried to emphasize throughout the book.

Many long hours went into publishing this and many persons are responsible. I'd like to thank Annette Rajski for drawing the artwork on the cover and also, the teachers who were so patient when occasionally classes were missed due to deadlines. In addition, much credit belongs to Mr. Jim Beckham, our American Yearbook Representative, who was always just a phone call away and to Mrs. Howell, our advisor, who devoted many extra hours to meet deadlines. Most importantly, I'd like to thank the staff, who despite complications and the temptation to settle for mediocracy, never gave up. You have the right to be proud of this book. It is, after all, your diligent work that made the 1982 MEMORY LANE possible.

It is the hope of the 1982 Staff that your yearbook holds for you the memories of this year at Washington. In looking through the book, we hope you will recall a hard fought victory or the anticipation of crowning a Homecoming Queen, a special friendship gained, a treasured moment, or tears shed in defeat. Washington has given us valuable memories, we hope the 1982 MEMORY LANE holds one treasured moment for you.

Dodie,
what can I
say? 2 down
at 6 go. Just think
in 2 short years I'll
be sitting next to you
in caps & gounds, but I know
you'll be able to cheer me up.
You're a person whom I can get no
in a good mood of sell on Nichols and
do an imitation of selling year cur you've made
you'll have me cracking up. Palick, I mayfully
glad I met you last place to be. Well, good
home room a better you do in the future,
luck in everything will go play putt putt together.
I maybe someday will go
Love

Ed -
To a crazy
guy who goes all out
The man who finally found
out the Poe - Man pattern. Good
luck in Baseball.
"The Bird"

Ed a cool
guy I guess
didn't have
a lot of poetry
I got caught up
what I mean.

Ed

To a pretty smart person
who we know since I was a
fresh. Good luck with your
woman (many) and also in baseball.

Good friends always

Chris
F

Ed, (some reluctant)

We you really need some in "Latin class?"
I'm so glad you got along with all your teachers
especially "Mney" and "Lepine". Give your great
Alo in? Well what can I say, just stay
the way you are, well maybe change a
little (haha). Best of luck in everything
you do and want out of life. Stay Ed
and party, but not too much!

-See ya later

"84"
Just class!
